Capgemini recognized as a 'Leader' in SAP services by independent research firm

Paris, March 4, 2025 - [Capgemini](https://www.capgemini.com) today announced that it has been named a 'Leader' in The Forrester Wave™: SAP Services, Q1 2025. Capgemini received the highest scores possible in nine criteria, including vision, and global delivery strategy, and in 6 of 7 SAP product criteria.

The report states that Capgemini has a unique value proposition of being the SAP digital transformation partner of clients focusing on value management and continuous improvement, moving to composable, clean core, multipillar S/4HANA architecture with an increased focus on sustainability.

Clients rated Capgemini excellent for its knowledge of SAP products. They also applauded Capgemini for its quality of SAP resources.

"We believe Forrester's recognition of Capgemini as a leader in SAP Services illustrates our unwavering commitment to delivering exceptional business outcomes for our clients," said Narayanan Balasubramaniam, Global Head of Packaged Based Solutions at Capgemini. "As a long standing partner of SAP, we execute projects through trusted and scalable methodologies so our clients can effectively leverage the power of Capgemini's global and strategic services and partnerships, achieving measurable results at optimized costs."

In the report, Akshara Naik Lopez, Forrester Senior Analyst and report author, writes, *"Capgemini is a great fit for industry-specific large SAP transformation programs requiring global-scale deployment with a good balance of onshore and offshore resources, continuous improvement, and sustainability as focus areas."*

Forrester does not endorse any company, product, brand, or service included in its research publications and does not advise any person to select the products or services of any company or brand based on the ratings included in such publications.
